The Ivey Business Challenge
Friday December 11th, 8:30 am - 2:30 pm

</div>

We are looking forward to seeing you at the Ivey Business Challenge on December 11th. Please read the following instructions to better prepare yourself to get the most out of the program.

Read the **Play On! Case Option A** and think over these questions about the case:

- How did Hill come up with this opportunity? More broadly, was this an opportunity in the first place?
- In hindsight, should Hill have pursued Play On! Or should he have taken one of the other job offers when he finished his MBA?
- Given Hill's strengths/weaknesses and his resources, would you have considered investing in his venture if you had the resources to do so?
- Assess Hill's decision-making process. If you were his MBA friend, what would you tell him? Where did he go wrong?
